

User agreement

By registering you or your kids as a member of Uddevalla Sim you're agreeing to your personal data being stored in the associations database, according to the European Unions directions regarding GDPR (General Data Protection Regulation). GDPR aims to protect humans against their personal data being used in an inaccurate way that violates their personal integrity. The personal data you share with Uddevalla Sim is always processed ethically correct and in accordance with good practice with respect to current laws.

The collection of personal data is necessary for Uddevalla Sim and helps carry out it's activities as well as fulfilling the commitment towards the state, the municipality and Riksidrottsförbundet as well as underlying unions. As a member, you always have the right to know which personal data Uddevalla Sim stores in our member-database. You have the right to demand that the information regarding you shall be corrected if they are wrongly or incomplete.

Personal data that counts as sensitive are for example allergies, special diet, diseases, function variations and similar that Uddevalla Sim needs to be aware of is collected by separate consent forms. These can be collected at our website. Expressed consent regarding publication of pictures and names on our website and social media, as well as publications in newspaper, is made separately.
